

## Final List of Companies

The EurAsian Geosynthetics Symposium 2019 organised in Beijing on 18-19 November gathered 129 participants from 76 companies coming from 10 countries.

Company	Country
China Nonwovens & Industrial Textiles Association (CNITA)	China
CNITA	China
CNITA	China
CNITA	China
EDANA	Belgium
EDANA	Belgium
ITMF	USA
National Development and Reform Commission	China
Textile Branch of China Council for the Promotion of International Trade	China
China Textile Machinery Association	China
China National Textile and Apparel Council	China
International Geosynthetics Society, IGS	Italy
National Taiwan University Taiwan Geosynthetics Association	Taiwan, China
Industrial Fabrics Association International (IFAI)	USA
Bogazici University	Turkey
Construction Materials Structural Engineering, Bundesanstalt für Wasserbau	Germany
Beijing University of Civil Engineering and Architecture	China
Independent Civil Engineering	UK
China Academy of Railway Sciences	China
The Reinforced Earth Company	USA
ISO Geosynthetics Committee	UK
Geosynthetics Division TENAX	Italy
Hongxiang New Materials Co., Ltd.	China
Maccaferri	Italy
Tiandingfeng Holdings Co., Ltd.	China
Farè SpA	Italy
Inha University	Korea
Shandong Yibo Yangguang Engineering Materials Co., Ltd.	China
Maccaferri	Italy
Oerlikon	Germany
HUESKER Synthetic GmbH	Germany
Hock Technology Co., Ltd.	China
Hock Technology Co., Ltd.	China
Hock Technology Co., Ltd.	China
Weifang Tuowang Industrial Co., Ltd.	China

## Final List of Companies

The EurAsian Geosynthetics Symposium 2019 organised in Beijing on 18-19 November gathered 129 participants from 76 companies coming from 10 countries.

Weifang Tuowang Industrial Co., Ltd.	China
Weifang Tuowang Industrial Co., Ltd.	China
